Lake Arrowhead, Rim Forest, Running Springs and Arrowbear Area Traffic & Drainage Improvements Approved

The unincorporated areas around Lake Arrowhead, Rim Forest, Running Springs and Arrowbear will benefit from over \$4.5 million in improvements for traffic flows, road maintenance and drainage improvements included in the FY 2007-2008 budget recently approved by the San Bernardino County Board of Supervisors.

These expenditures represent revenue from a variety of sources including Measure I, State Gasoline Taxes, and funds from Proposition 1B.

“Next year over \$20 million will be spent throughout the Third District making our roads safer,” said Supervisor Hansberger. “We need far more money to get our roads and highways in the condition that I want them to be in, so if you ask ‘Is this enough?’ – my answer is ‘no, but this is certainly a start,’” he said.

“Our mountain areas are one of our most valuable and precious resources. Over the years we have evacuated almost every part of the mountains at one time or another and I hope this investment will make it just a little safer for residents if we need to evacuate in the future,” Hansberger said.

- more-

Below is a list of planned expenditures by community:

Lake Arrowhead	\$3,360,145
Rim Forest	\$ 720,000
Running Springs	\$ 415,000
Arrowbear	\$ 146,000

A list of specific projects in each community is attached.
